Dear boarding students and parents of Eerde International Boarding School,

We are delighted to present you our activity planner for boarding students for the academic year 2021 - 2022.

Our boarding team offers a variety of activities for weekends and evenings both off campus and on campus.

Together with students, each Tuesday students are invited to select an activity for the weekend ahead. In general they are not mandatory, but are for fun and to be enjoyed, but on occasion, it may be a whole boarding house event.

With this brochure we want to share with you a glimpse into the possibilities, but these are not endless - any ideas from the students may also be a possibility.

Kind regards

Dan Furness and the Boarding Team
